

## **FISCAL NOTE**

TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 27, 1995

SUBJECT: **SB 1365 - HB 1428**

This bill, if enacted, will, among other things, authorize a sheriff to place juveniles picked up for any curfew violation in a community based detention center to be established by each sheriff. The community based detention center shall be separate and apart from any jail facilities.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the bill are permissive.

The fiscal impact from enactment of this bill is estimated to be an increase in local government expenditures to the extent certain counties do not currently have facilities which will qualify as community based detention centers and will require expenditures to develop such facilities. A reasonable estimate of the increase cannot be determined but is estimated to exceed \$100,000.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
